Services offered

For Funds

Contributor Onboarding

Fund Accounting

Fund Administration

Compliance Management

Reporting

Portfolio Management

Client Servicing

Tax Compliance

Contributor Onboarding

Contributor Onboarding is one of the most important processes in fundraising. We not only make the onboarding easier but also ensure that all the documents required from the contributors are obtained and onboarding is done in a smoother way. Compliance related to KYC is crucial and we assist in completing the same and also uploading those documents with various authorities.

- Maintaining Contributors' Database
- KYC Process
- KRA & CKYC Registration
- Welcome letter to contributors
- Allotment of Unit Statements to Contributor
- Tracking of clients' contribution

Fund Accounting

Accounting is required to check on the income and expenses and show the same to contributors based on which NAV can be assessed. We at Periple Advisors, provide you monthly accounts & NAV which will help you assess the current state of affairs of the Fund.

- Maintaining Books of Accounts
- Providing details of contributors
- Maintaining accounts for individual contributors
- Calculation of NAV
- Accounting of temporary & Portfolio Investments
- Providing individual details of each portfolio entity

Fund Administration

Administration of fund includes procuring/ Distribution of funds from/to contributors, maintaining their database along with investment details. We ensure MIS is maintained for receipts/payments of funds along with Investment/ Divestment

- Issuing Drawdown notices & Distribution Letters to Contributors
- Reconciliation of receipt of contributions
- Deployment of Surplus Fund
- Making investments in portfolio companies
- Maintaining Database of Contributors and Portfolio Companies
- Assisting in the audit of books of accounts of the Funds
- Assisting in valuation of Portfolio Companies

Compliance Management

Statutory and regulatory compliances laid down by authorities like SEBI, RBI, Income Tax Department, etc. are very crucial and need to be adhered to in a accurate and timely manner . Our Team of seasoned experts who know compliance very well and ensure the same is done in timely manager

- Quarterly reporting to SEBI
- Quarterly Compliance reporting to Trustee
- Annual Compliance Test Report to Trustee
- Compliance in terms of Foreign receipt/ payments with RBI
- Compliance for foreign investment and remittance
- Statutory Compliance like TDS, GST, LEI, etc.
- SEBI Application for Overseas Investments for Cat I AIF

Reporting

Reporting includes reporting to Contributors apart from statutory reporting. Contributors require reports showing the correct position of their investment and utilisation. We ensure NAV is calculated and reported to them in a timely manner and also take care of the statutory requirement

- NAV Reporting to all Contributors on Quarterly Basis
- Issuing Statement of Accounts, News Letters, updates on the Fund Management on Quarterly basis
- Statutory & Regulatory Reporting
- Reporting details of investments and divestments to the Manager
- Adhoc reporting

Portfolio Management

Fund Management is all about deployment into Portfolio Companies. Fund manager does the best part and that is why we want you to leave the other part with us. We ensure and maintain all the data and process the inward and outward flow of funds to and from portfolio companies and provide you reports for your analysis

- Maintaining Database of Portfolio Companies
- Processing investment in Portfolio Companies
- Tracking of Interest/Principal payment for Debt Funds
- Assisting in the Valuation of Portfolio Companies
- Statutory/ Tax / Secretarial compliance of Portfolio companies

Client Servicing

What's the point if you don't service your contributors/Client well. Leave it to us. We ensure and provide reports, MIS, collect and distribute funds from them in a proper way so that you can concentrate on your core activities of Fundraising and deployment

- Single point of contact
- Management of Client queries
- Sending Reports to Clients
- Distribution of Funds
- Providing various working/ reports to contributors on Adhoc basis

Tax Compliance

Timely and correct tax payment and compliance is required by the fund to ensure no penalty or non-compliance is burdened on the fund. We take care of all tax compliance right from GST, TDS, FATCA, Income tax payment, etc.

- Statutory payments including GST, TDS, Professional Tax, as applicable
- Filing of Returns on timely basis for TDS, GST, FATCA
- Deducting and payment of TDS on distribution to Contributors as per Sec 64LBB
